SATORU WAS TRANSFERRED TO THE HONSHU HOSPITAL FOR LONG-TERM HOSPITALIZATION.

I KNOW!

I KNOW!
...I DIDN'T WANT TO THINK THAT THIS WOULD HAPPEN...

SATORU'S MOM SEEMED...
.....

Kayo-chan,

I'm sorry that I suddenly disappeared.

But I think that it was necessary for Satoru and I to take the next step.

You were the light that illuminated my dark heart. Your determination showed me that I had a path. I am full of gratitude.

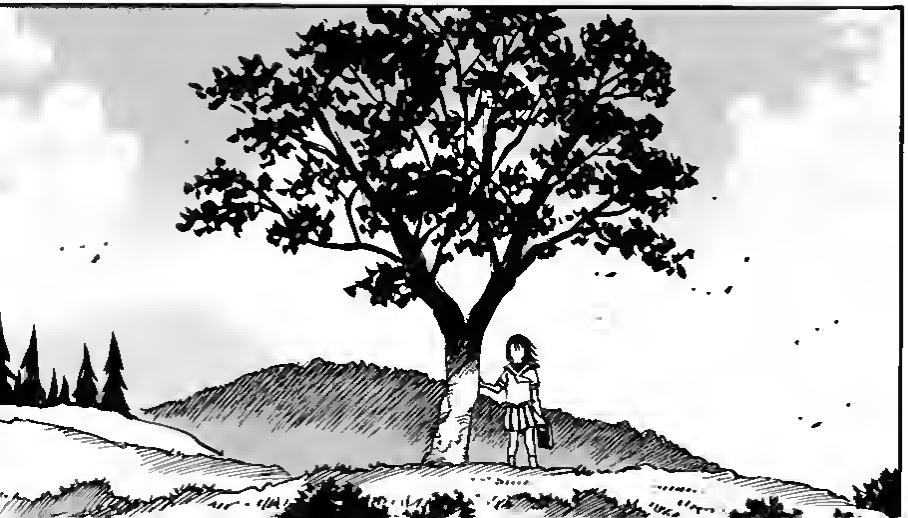
I think it's time that you also took the next step.
Please cherish your "present", Kayo-chan.

はあ
I hope that you'll have a bright future.

Thank you for taking care of Satoru everyday. Thank you for saving my heart.

I'm sure we'll meet again someday.
Take care.

Fujinuma Sachiko



I'M REALLY THANKFUL.
BECAUSE THE ONES THAT MADE ME LAUGH EVERYDAY...
WAS SATORU AND HER MOM.
YOU SHOULD ALSO TAKE CARE.
AND HAVE A BRIGHT FUTURE.
